2. Explanation of why the commodity is the only one that can meet the needs of the Agency:

The State of Mississippi first started training ALERRT Active Shooter in 2008, at the end of the support in 2014, over 8,600 Mississippi Officers were trained in the state. Many agencies within the state have requested ALERRT training/support. These particular kits are specific to the ALERRT BASIC Training for Mississippi and Mississippi Law Enforcement Officers Training Academy (MLEOTA). The Bureau of Justice (BJA) and the Federal Bureau of Investigation (FBI) have both partnered with TX ALERRT to expedite the delivery of ALERRT training to local and state law enforcement across the nation. They were developed in cooperation with ALERRT and were designed specifically to meet all ALERRT Training Goals and Objectives and satisfy grant regulations governing Homeland Security Funding provided by the US Department of Homeland Security to State Administration Agencies.

3. Explanation of why the source is the only person or entity that can provide the required commodity:

KDL Solutions LLC of Hattiesburg is the only company that has ever produced ALERRT Training Kits and ALERRT Training Resupply Kits which meet the stringent US Department of Homeland Security Grand Funding guidelines. This is the only program that provides all lesson plans and teaching materials to the participants.

4. Explanation of why the amount to be expended for the commodity is reasonable:

Estimated Cost: \$101,875

Pricing the items individually, the main cost factor are the books: The price of the books fluctuates based on the number of books being purchased. KDL Solutions extends discount to Mississippi Law Enforcement Agencies.

ALERRT Active Shooter Training Consumable Case. Each case can train up to 30 individuals. Price includes \$2,500 Mississippi home state discount per case. (estimated 17 cases total)

5. Efforts the Agency went through to obtain the best possible price for the commodity:

KDL Solutions extends discount to Mississippi Law Enforcement Agencies (\$975 discounted to \$925) \$50 discount per case.

Any person or entity that objects and proposes that the commodity listed is not sole source and can be provided by another person or entity should submit a written notice to:

Betsy Toles or Sonya Toaster  
Procurement Department  
4<sup>th</sup> Floor, Room 402  
1900 East Woodrow Wilson Avenue  
Jackson, MS 39216

The notice should contain a detailed explanation of why the commodity is not a sole source procurement, as well as, but not limited to the following information:

#### Interested Party Information

- Contact Name, Phone Number, and email address
- Company Website URL, if applicable

#### Objection to Sole Source Justification

- Interested parties must present specific objections to the Sole Source certification, including, but not limited to the following:
  - a) A description of the commodity or commodities that Interested Party believes is comparable to the Life Technologies Kits, Reagents, Capillaries and related consumables;
  - b) An explanation of why Interested Party's commodity or commodities can also meet the needs of the agency; and
  - c) A list of sources from which Interested Party's commodity may be procured.
- If Interested Party claims that the ALERRT BASIC Training kits are available from a source other than KDL Solutions, the objection must contain a written statement from KDL Solutions that the Interested Party is an authorized distributor or reseller of the KDL Solutions ALERRT BASIC Training Kits..

This information should be provided no later than Wednesday, June 08, 2016 at 5:00 pm local time. Response may be delivered by hand, via regular mail or overnight delivery.

If after a review of the submitted notice and documents, MLEOTA determines that the commodity in the proposed sole-source request can be provided by another person or entity, then MLEOTA will withdraw the sole source request publication from the procurement portal website and submit the procurement of the commodity or commodities to an advertised competitive bid process.

If MLEOTA determines after the review that there is only one (1) source for the required commodity or commodities, then MLEOTA will appeal to the Public Procurement Review Board (PPRB). MLEOTA will have the burden of proving that the commodity or commodities is only provided by one (1) source.
